About Me

A passionate and driven full stack web developer, aiming to build more web development experience while honing technical skills. Recently earned a certificate in full stack web development from the University of Pennsylvania and developed skills in JavaScript, MySQL, React.js and responsive web design. Eager to continue learning, collaborating and problem-solving, while creating and maintaining websites, iOS and Android apps. Very personable, leveraging a background in sales and customer service, so easily works well with others. Looking to utilize skills to help a company grow and become a valuable asset.

Education

CERTIFICATE | MARCH 2022 | UNIVERSITY OF PENNSYLVANIA PLS CODING BOOT CAMP

AUGUST 2015 - 2018 | UNIVERSITY OF COLORADO BOULDER

Completed 82 credits towards a Bachelor of Science in Technology, Arts & Media Engineering.

HIGH SCHOOL DIPLOMA | MAY 2015 | CHERRY HILL HIGH SCHOOL EAST

A movie search app that allows users to see comics related to Marvel movies coming out and adding countdown to upcoming movies. | Role: Collaborator | Tools: JavaScript, JQuery, HTML, CSS, Bootstrap, OMDB API, Fetch API, Marvel API

Experience

MANAGER & BARTENDER | EL REY - STARR RESTAURANTS | JUNE 2021 TO SEPTEMBER 2021

I was promoted to be a Floor Manager at El Rey which made me responsible for supervising shifts from open to close. I was also in charge of sharing and reporting the analytics for each day.

SERVER & BARTENDER | JILL'S - ST. JULIEN HOTEL & SPA | DECEMBER 2019 TO OCTOBER 2020

SERVER & BARTENDER | EL REY - STARR RESTAURANTS | MARCH 2018 TO OCTOBER 2019

FUNDRAISER & TELEMARKETER | RUFFALO NOEL LEVITZ | JANUARY 2016 TO JULY 2016

While attending CU Boulder, I worked at a call-center on campus on weeknights and weekends. I was responsible for calling alumni for the duration of my shift. I learned how to build rapport with donors over the phone and persuade them to assist funding for academic scholarships.
